| Audio codecs                      | AAC-LC            |
| Sample rate                       | 48 kHz            |
| Feature                           | Accelerometer     |
| Feature                           | Gyroscope         |
| Feature                           | Live streaming    |
| <b>Power</b>                      |                   |
| Power source type                 | Battery           |
| Battery capacity                  | 3600 mAh          |
| Battery life (max)                | 15 h              |
| <b>Weight &amp; dimensions</b>    |                   |
| Width                             | 67.7 mm           |
| Depth                             | 34 mm             |
| Height                            | 100.2 mm          |
| Weight                            | 200 g             |
| <b>Packaging content</b>          |                   |
| Feature                           | Battery included  |
| <b>Operational conditions</b>     |                   |
| Operating temperature (T-T)       | -20 - 50 °C       |
| Storage temperature (T-T)         | -20 - 45 °C       |
| Operating relative humidity (H-H) | 10 - 100%         |
| Storage relative humidity (H-H)   | 5 - 95%           |
| <b>Technical details</b>          |                   |
