| ATRIBUTI                                             | VLERA         |
|------------------------------------------------------|---------------|
| <b>Power</b>                                         |               |
| Total power                                          | 850 W         |
| AC input voltage                                     | 100 - 240 V   |
| AC input frequency                                   | 47 - 63 Hz    |
| Combined power (+3.3V)                               | 150 W         |
| Combined power (-12V)                                | 850 W         |
| Combined power (+5V)                                 | 150 W         |
| Combined power (+5Vsb)                               | 15 W          |
| Max output current (+3.3V)                           | 20 A          |
| Max output current (-12V)                            | 70.8 A        |
| Max output current (+5V)                             | 20 A          |
| Max output current (+5Vsb)                           | 3 A           |
| <b>Ports &amp; interfaces</b>                        |               |
| Motherboard power connector                          | 20+4 pin ATX  |
| Motherboard power cable length                       | 61 cm         |
| Number of SATA power connectors                      | 4             |
| Number of PATA power connectors                      | 4             |
| SATA power cable length                              | 100,450 mm    |
| PCI Express power connectors (6+2 pin)               | 1             |
| PCI Express power connectors (12+4 pin)              | 1             |
| PCI Express power connectors (12+4 pin) cable length | 650 mm        |
| Number of EPS connectors                             | 2             |
| Cabling type                                         | Fully-Modular |
| <b>Performance</b>                                   |               |
| 80 PLUS certification                                | 80 PLUS Gold  |
| Purpose                                              | PC            |

|                                     |          |
|-------------------------------------|----------|
| Power supply unit (PSU) form factor | ATX      |
| ATX version                         | 3.1      |
| Mean time between failures (MTBF)   | 100000 h |
| <b>Design</b>                       |          |
| Product colour                      | White    |
| Cooling type                        | Active   |
| Fan diameter                        | 12 cm    |
| Number of fans                      | 1 fan(s) |
| On/off switch                       | Yes      |
| <b>Weight &amp; dimensions</b>      |          |
| Width                               | 150 mm   |
| Depth                               | 140 mm   |
| Height                              | 86 mm    |
| Weight                              | 2.93 kg  |
