

ASROCK

# Furnizues Energjie 850W ASRock Challenger Series CL-850G 850W ATX 80+ Gold E zeze

SKU: 17009640 · EAN: 4710483948350

**SPECIFIKAT TEKNIKE****25 specifikat e produktit**

| ATRIBUTI                                    | VLERA                                                                           |
|---------------------------------------------|---------------------------------------------------------------------------------|
| <b>Power</b>                                |                                                                                 |
| Total power                                 | 850 W                                                                           |
| Max output current (-12V)                   | 70.9 A                                                                          |
| Power protection features                   | Over current, Over voltage, Overheating, Overload, Short circuit, Under voltage |
| <b>Ports &amp; interfaces</b>               |                                                                                 |
| Motherboard power connector                 | 20+4 pin ATX                                                                    |
| Motherboard power cable length              | 60 cm                                                                           |
| Number of SATA power connectors             | 4                                                                               |
| SATA power cable length                     | 120,450 mm                                                                      |
| Peripheral (Molex) power connectors (4-pin) | 2                                                                               |
| PCI Express power connectors (6+2 pin)      | 2                                                                               |
| CPU power connector (4+4 pin)               | Yes                                                                             |
| Number of EPS connectors                    | 2                                                                               |
| <b>Performance</b>                          |                                                                                 |
| 80 PLUS certification                       | 80 PLUS Gold                                                                    |
| Purpose                                     | PC                                                                              |
| Power supply unit (PSU) form factor         | ATX                                                                             |
| ATX version                                 | 3.1                                                                             |
| Mean time between failures (MTBF)           | 100000 h                                                                        |
| <b>Design</b>                               |                                                                                 |
| Product colour                              | Black                                                                           |
| Cooling type                                | Active                                                                          |
| Fan diameter                                | 12 cm                                                                           |
| Number of fans                              | 1 fan(s)                                                                        |
| On/off switch                               | Yes                                                                             |
| <b>Weight &amp; dimensions</b>              |                                                                                 |
