# Ftohës për Procesor ASUS ROG Ryuo IV SLC 360 ARGB - Zezë

SKU: 17011209 · EAN: 4711387850657

| SPECIFIKAT TEKNIKE                   |                                            |
|--------------------------------------|--------------------------------------------|
| 38 specifikat e produktit            |                                            |
| ATRIBUTI                             | VLERA                                      |
| <b>Performance</b>                   |                                            |
| Suitable location                    | Processor                                  |
| Type                                 | All-in-one liquid cooler                   |
| Fan diameter                         | 12 cm                                      |
| Supported processor sockets          | LGA 1700, LGA 1851, Socket AM4, Socket AM5 |
| Maximum airflow                      | 71.44 cfm                                  |
| Pulse-width modulation (PWM) support | Yes                                        |
| Pump motor speed                     | 1800 RPM                                   |
| Pump motor speed (min)               | 3200 RPM                                   |
| Fan speed (min)                      | 800 RPM                                    |
| Fan speed (max)                      | 2650 RPM                                   |
| Fan static pressure                  | 5.45 mmH2O                                 |
| <b>Design</b>                        |                                            |
| Product colour                       | Black                                      |
| Radiator material                    | Aluminum                                   |
| Number of fans                       | 3 fan(s)                                   |
| Illumination LED                     | Yes                                        |
| Illumination colour                  | Multi                                      |
| Water block material                 | Copper                                     |
| Display type                         | AMOLED                                     |
| <b>Weight &amp; dimensions</b>       |                                            |
| Radiator width                       | 39.4 cm                                    |
| Radiator depth                       | 14 cm                                      |
| Radiator height                      | 3.2 cm                                     |
| Tube length                          | 20 cm                                      |
| Waterblock width                     | 13.3 cm                                    |
| Waterblock depth                     | 10.5 cm                                    |

|                            |                   |
|----------------------------|-------------------|
| Waterblock height          | 12.3 cm           |
| Weight                     | 1.56 kg           |
| Fan dimensions (W x D x H) | 120 x 120 x 25 mm |
| Package width              | 219 mm            |
| Package depth              | 154 mm            |
| Package height             | 423 mm            |
| Package weight             | 3.64 kg           |
| <b>Packaging content</b>   |                   |
| Package type               | Box               |
| Mounting kit               | Yes               |
| Screws included            | Yes               |
| Installation instruction   | Yes               |
| <b>Other features</b>      |                   |
| Fan performance            | 71.44 cfm         |
| Noise level                | 39.6 dB           |
| Built-in display           | Yes               |
