

CHIEFTEC COMPUTER

# Furnizues Energjie Chieftec Vega M Series PPG-1000-C / 1000W 80+ Gold - Zezë

SKU: 17012474 · EAN: 0753263079091

## SPECIFIKAT TEKNIKE

### 46 specifikat e produktit

| ATRIBUTI                                    | VLERA                                                                 |
|---------------------------------------------|-----------------------------------------------------------------------|
| <b>Power</b>                                |                                                                       |
| Total power                                 | 1000 W                                                                |
| AC input voltage                            | 100 - 240 V                                                           |
| AC input frequency                          | 50/60 Hz                                                              |
| Input current                               | 12 A                                                                  |
| Combined power (+3.3V)                      | 100 W                                                                 |
| Combined power (-12V)                       | 1000 W                                                                |
| Combined power (+5V)                        | 100 W                                                                 |
| Combined power (-12V)                       | 3.6 W                                                                 |
| Combined power (+5Vsb)                      | 15 W                                                                  |
| Max output current (+3.3V)                  | 20 A                                                                  |
| Max output current (-12V)                   | 83.33 A                                                               |
| Max output current (+5V)                    | 20 A                                                                  |
| Max output current (-12V)                   | 0.3 A                                                                 |
| Max output current (+5Vsb)                  | 3 A                                                                   |
| Power protection features                   | Over current, Over voltage, Overload, Short circuit, Surge and inrush |
| <b>Ports &amp; interfaces</b>               |                                                                       |
| Motherboard power connector                 | 24-pin ATX                                                            |
| Motherboard power cable length              | 60 cm                                                                 |
| Number of SATA power connectors             | 6                                                                     |
| SATA power cable length                     | 150,400 mm                                                            |
| Peripheral (Molex) power connectors (4-pin) | 3                                                                     |
| Peripheral (Molex) power cable length       | 150,400 mm                                                            |
| EPS power connector (8-pin)                 | Yes                                                                   |
| EPS power connector (4+4 pin)               | Yes                                                                   |
| PCI Express power connectors (6+2 pin)      | 4                                                                     |
| PCI Express power connectors (12+4 pin)     | 1                                                                     |

|                                                      |               |
|------------------------------------------------------|---------------|
| PCI Express power connectors (12+4 pin) cable length | 600 mm        |
| PCI Express power cable length                       | 60 cm         |
| CPU power connector (4+4 pin)                        | Yes           |
| CPU power cable length                               | 65 cm         |
| ATX Power connector (24-pin)                         | Yes           |
| PCI Express connector                                | Yes           |
| Number of EPS connectors                             | 2             |
| Cabling type                                         | Fully-Modular |
| <b>Performance</b>                                   |               |
| 80 PLUS certification                                | 80 PLUS Gold  |
| Purpose                                              | PC            |
| Power supply unit (PSU) form factor                  | ATX           |
| ATX version                                          | 3.1           |
| Bearing technology                                   | FDB           |
| <b>Design</b>                                        |               |
| Product colour                                       | White         |
| Cooling type                                         | Active        |
| Fan diameter                                         | 13.5 cm       |
| Illumination                                         | No            |
| <b>Certificates</b>                                  |               |
| Certification                                        | 80PLUS Gold   |
| <b>Weight &amp; dimensions</b>                       |               |
| Width                                                | 150 mm        |
| Depth                                                | 150 mm        |
| Height                                               | 85 mm         |
